The copy filmed here has been reproduced thanks to the generosity of:

Metropolitan Toronto Reference Library
Baldwin Room

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Metropolitan Toronto Reference Library
Baldwin Room

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

SPECIAL NOTICE.

Parties ordering Books to be sent *by mail*, will bear in mind that, according to law, the postage requires to be **PRE-PAID**, at *one cent per ounce*, which must be remitted *in addition* to the price of the books ordered. This is the cheapest mode of sending all packages under twenty-five ounces, as the Express Company will not convey a parcel (no matter how small) to the nearest station, for less than twenty-five cents. Postal communication cannot be sent with parcels by mail without subjecting the same to letter postage.

It is very important that addresses be plainly written, and explicit directions given. Persons living remote from the lines of railway, whose parcels are to be sent by Express, should give the nearest Station, in addition to the Post Office address.

The usual discount allowed to Ministers, Students, Teachers, and Sunday-schools, except on Ministers' Requisites, S. S. Requisites, Music Books, S. S. Hymn Books, and books marked "net" in Catalogue.

The prices of American books will be regulated by the rise and fall of gold.

Books suitable for our Stock, and not in this Catalogue, when obtainable, will be supplied, on due notice being given; also New Works, as soon as issued from the press.

BOOK AND JOB PRINTING!

AT THE
GUARDIAN OFFICE.

NEAT!—CHEAP!—EXPEDITIOUS!

THE facilities for BOOK AND JOB PRINTING at the "GUARDIAN" OFFICE have lately been greatly augmented, and the Establishment is now in a position to execute every description of PRINTING in a very superior manner.

In the COMPOSING-ROOM, four large Founts of very superior TYPE, for Books, Pamphlets, Tracts, &c., &c., from the Type Foundry of Messrs. Miller & Richards, of Edinburgh, Scotland, have recently been added.

The JOB DEPARTMENT has likewise received great additions of Plain and Ornamental Letter. Merchants and others requiring Posters, Handbills, Circulars, Cards, Bill Heads, or any description of either PLAIN or ORNAMENTAL PRINTING, will find this Establishment one of the best and cheapest in Toronto.

The PRESS-ROOM has been enlarged; and in addition to the Three Steam Power Presses already in use, one of the celebrated GORDON STEAM PRESSES, and also one of FORSAITH'S STEAM FOLDING MACHINES, have been added, which greatly enhance the facilities, and enable this Establishment to add considerably to its large and increasing business.

Ministers and Friends in the Country, forwarding their Orders to the GUARDIAN OFFICE, may rely upon having their work done promptly, correctly, and in the best style.

Special Attention given to the Printing of Circuit Plans,

In connection with the Printing Department, there is a

FIRST-CLASS BINDERY!
